Taking all allegations seriously, and responding to them swiftly and appropriately.

There are four main elements to the policy:

Ensuring that Cambridge International Academy Ltd practices safe recruitment in checking the suitability of our staff and partners to work with students,

Ensuring awareness of safeguarding issues amongst our staff and partners,

Developing and implementing procedures for identifying and reporting any safeguarding issues,

All staff:

All staff / partners will be checked with respect to their understanding of their responsibilities and, if necessary, trained appropriately.

Failure to comply with these responsibilities will be seen as a serious matter, leading to re-evaluation of the staff / partner role in our courses / programmes with the possibility of termination of cooperation in the case of serious breaches.

Allegations of abuse against members of staff:

Allegations of abuse, or concerns raised, against Cambridge International Academy Ltd staff or associates and / or its partners will always be treated seriously.

The allegation must always be referred to a 'Designated Student Welfare and Safeguarding Officer' who will take the appropriate steps to ensure the safety of the student, and any others who may be at risk.

If the allegation or concern is directed against a 'Designated Officer' it should be reported directly to the Cambridgeshire Local Safeguarding Children Board (contact details above).

Reporting Cases to the Disclosure and Barring Service

Cambridge International Academy Ltd has a duty to make reports and provide relevant information to the Disclosure and Barring service (DBS) where there are grounds for believing, following an investigation, that an individual is unsuitable to work with children or vulnerable adults, or may have committed misconduct. The responsibility for reporting cases to the DBS lies with the 'Designated Student Welfare and Safeguarding Officer'.

SAFE RECRUITMENT OF STAFF

Cambridge International Academy Ltd undertakes to ensure that the staff / partners whom we organise and run our courses and programmes in cooperation with are fit to work in our students' learning environments. We also endeavour to ensure that we do not employ staff or contract with partners who may pose a risk to our students.

Cambridge International Academy Ltd has systems in place to prevent unsuitable people from working with our young people and to promote safe practice. These systems apply to all new staff and require the following checks to be made on appointment:

A minimum of two references, satisfactory to Cambridge International Academy Ltd, one of which should be from a previous employer,

Documentary evidence checks to confirm nationality, residency and "right to work" status,

Enhanced DBS Disclosure as appropriate,

For individuals who have lived outside of the UK, further checks are carried out, where appropriate, if a DBS Disclosure is not felt to be sufficient to establish suitability to work with young people.
